**EDITORIAL
INDEX**

100 YEARS A WORKING PORT

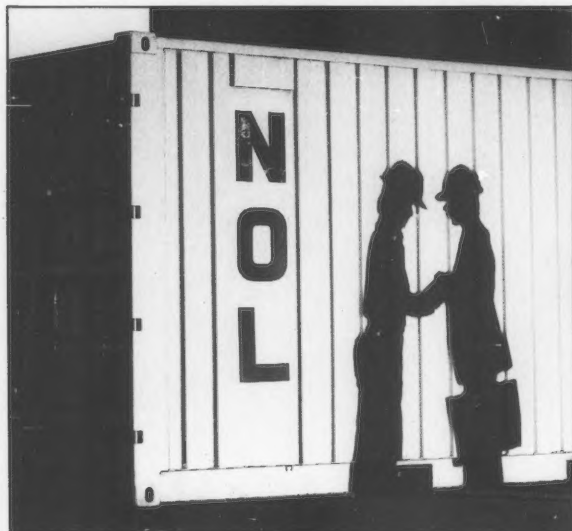

The Port of Felixstowe has gone a long way in 100 years. All round the world in fact with its great range of services handling all aspects of the import and export trade – including Container, Roll on Roll off, General Cargo and Passenger Services. We've picked up quite a reputation on the way – for forward thinking, modern expansion and a co-operative

relationship with the workforce. We even put our 100 years of experience to good use as consultants for Port Authorities and Governments worldwide.

If you'd like to know more about how Britain's leading privately-owned port works contact Derek Peters, Sales and Marketing Director, on Felixstowe (0394) 604664. Telex 98277.

THERE'S ONE SHIPPING LINE THAT'S EVEN CLOSER THAN YOUR PHONE

NOL operates one of the most modern cargo transport networks in the world, with regular shipping schedules to your major markets. When you ship with us, person-to-person means more than just a phone call. It's our way of giving you, your cargo and your business ... all the care in the world.

Containerisation International

EDITORIAL INDEX

1986

The Index is arranged into four sections:-

COMPANIES	pages 4-23
GENERAL	pages 23-34
SHIPS	pages 35-39
TRADE ROUTES	pages 40-42

Entries are alphabetical in each section, and give issue month and page number.
Sep(s) refers to the world container census published as a special report with the September issue.
Compiled by Jane A. Fowler

All subscribers receive one free copy: extra copies are available from *Containerisation International*, National Magazine House, 72 Broadwick Street, London W1V 2BP, England.
Price including postage and packing: U.K. £10, Overseas £12 (by airmail).

TANK CONTAINERS

SAFE SAVERS

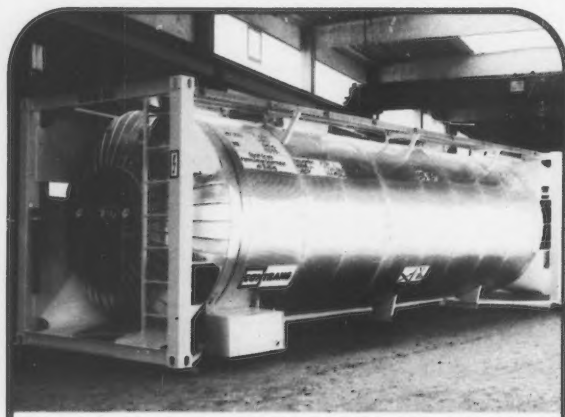

for the intermodal transport of hazardous chemicals

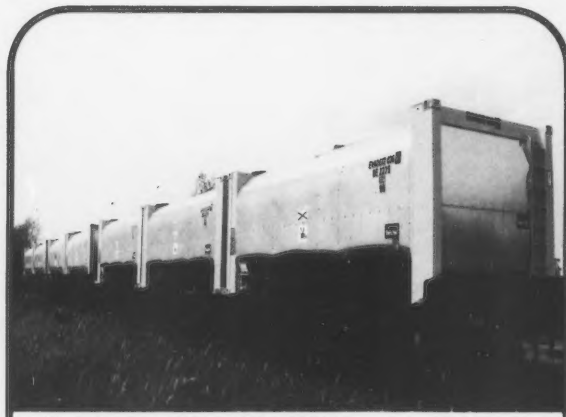

Skid-mounted multimodular swap tank for hazardous chemical waste, compatible with leading truck skip loading systems, 7.000 liter, carbon steel H II, 4 bar test pressure

20' ISO full frame IMO 1/IMO 5 tank container for multiple hazard chemicals, all traffic modes, worldwide, 11.000 liter, fine grained micro alloy steel StE-36, 10.3 bar test pressure

30' ISO beam tank container for hot/high viscosity products, 240°C operating temperature, all modes, 27.000 liter, stainless 316, 2.65 bar test pressure, IMO 2

Multilobe likwitaner "R" IMO 2 tank containers, for low hazard liquids and flowable dry bulk, all modes worldwide, 27.700 liter, stainless 304, 2.65 bar test pressure

Tank containers and multimodular systems for the transport and storage of liquids, gases, and dry bulk. Scope: As transport, storage, swap, pressure, and hopper tanks on ships, trucks, rail cars, and for in-plant handling. Designs: Closed frame or beam cylinders, multilobe likwitaner "R" compact and other special designs. Capacities up to 60.000 liter. All approvals and classifications.
